Your mind is troubled, you feel lowdown  
Looking for help, can't be found  
Here's a number, call anytime  
Get the bluesdoctor, on the line

Bluesdoctor, he knows just what you need  
Bluesdoctor, puts you back on your feet  
With his down home rhythm he'll soothe your soul  
Make you wanna shuffle, wanna rock 'n roll

If you're sick, you can be sure  
Bluesdoctor, got the cure  
Down in Mississippi, delta land  
He's the blues healer, he's the boogie man

Bluesdoctor ...

Blue note potion, you will feel allright  
Stomp your feet, dance all night  
Chicago to Paris, whole world 'round  
Ain't no cure like that boogie-sound

Bluesdoctor ...
