Come on baby come along with me
Down to the bayou¹ country
To the swamplands where the cajuns² go
Do the zydeco³

Alligator jumps around
Wags his tail to the squeeze-box sound
There's a fish-fry and there's hot gumbo⁴
Come on baby let's go

Tune up the fiddle, roisin' up the bow
Listen to the fiddle of Old Man Moe
Sends a tune up to the sky
Watch them bowhairs fly

Alligator jumps around ...

There's Old Ray and black-eyed Susie
Rockin' to the beat of a Cajun boogie
Dancin' the two-step and the fais dodo⁵
Come on baby let's go

Alligator jumps around ...
