Death don't have no mercy in this land  
Come to your house, won't stay long  
You look in the bed and somebody be gone  
Death don't have no mercy in this land

Death never takes a vacation in this land  
Come to your house, won't stay long  
You look in the bed and your mother be gone  
Death never takes a vacation in this land

Death will leave you crying in this land  
Come to your house, won't stay long  
You look in the bed and your father be gone  
Death will leave you crying in this land

Death always in a hurry in this land  
Come to your house, won't stay long  
You look in the bed and your brother be gone  
Death always in a hurry in this land
