Do some homecooking baby
Do some homecooking baby
Do some homecooking baby
Satisfy my soul

Ate from a box at Micky D's
Dined in the rainbow-room
I've eaten with my hands
I've used a silver spoon

I've wined in diners
And I've dined with queens
But if it comes to cooking
You're the one for me

Do some homecooking baby

Just a taste from your starter
Gives me appetite
Every bite from that main-dish
Outasight!

Do some homecooking baby

I'm crazy 'bout that
Jelly-roll
I like the way you
Roll your dough

Keep me some dessert baby
Soft 'n sweet
The best in the world
Just what I like to eat

Do some homecooking baby
