This place is in an awful fix
Nothing seems to work out right
The truth is like a nightmare
That haunts you in the night

Bad news in the papers
Misery on the screen
I can't take it anymore
Tonight I want to dream

When this dark night is over
Sun rises on the bay
I will take you by the hand my love
And we will sail away

Sail away, sail away
Sail away, sail away

Hear the sound of the ocean
Watch the waves come rolling in
Walk barefoot in the sand, my love
Seagulls dancing on the wind

I want to hear your heartbeat
Feel your body next to mine
Make love to the rhythm of the sea
Eternal rolling of the tide

I want to hear your heartbeat
Feel your body next to mine
Make love to the rhythm of the sea
Eternal rolling of the tide

When this dark night is over
Sun rises on the bay
I will take you by the hand my love
And we will sail away

Sail away, sail away
Sail away, sail away
