I'm going to ask the question  
Please answer if you can  
Is there anybody's children can tell me  
Just what is the soul of a man?

Won't somebody tell me  
Answer if you can  
Won't somebody tell me  
Just what is the soul of a man?

I've traveled different countries  
I traveled to the furthest lands  
I found nobody could tell me  
Just what about the soul of a man?

I saw a crowd stand talking  
I just came up in time  
Was teaching the doctors and the lawyers  
That a man ain't nothing but his mind

I read the bible often  
I try to read it right  
And far as I can understand  
Nothing but a burning light

When Christ taught in the temple  
The people all stood amazed  
Was teaching the doctors and the lawyers  
How to raise a man from the grave
