The moon has blocked the sun  
That I haven't seen for days  
It walks the street as the chimneys burn  
I'll drink some beer as to find my way

My way home, my way home  
My way home, my way home

The streets were made for horse and cart  
They talk to mine behind close doors  
Stood in the rain to feel the part  
This maze I stand of concrete walls

My way home, my way home  
My way home, my way home

Suspicious corpse without a face  
The screen light's a hidden dim  
This black hawk can't find its place  
Through the night we swim

My way home, my way home  
My way home, my way home
