I met him down by the bay  
He said life is a stranger  
That won't go away

He took me by surprise  
And I felt for the first time  
What it's like to be alive

I'm a soldier  
But I don't know how to fight  
I'm your best friend  
But I'm scared to see you tonight

I'm the darkness  
But I want to be the light  
Oh, how I want to be?  
Oh, how I want to be?

I met him down by the sea  
Said I look like someone he knew  
I said I don't know anyone  
So how could I possibly know you?

He touched my hand  
Finally I understand  
What it means to be here with you

I'm a soldier  
But I don't know how to fight  
I'm your best friend  
But I'm scared to see you tonight

I'm the darkness  
But I want to be the light  
Oh, how I want to be?  
Oh, how I want to be?

I'm a soldier  
But I don't know how to fight  
I'm your best friend  
But I'm scared to see you tonight

I'm the darkness  
But I want to be the light  
Oh, how I want to be?  
Oh, how I want to be?
