Caught between a rock and a heartache
In the middle of here and torn in two
Not sure which road that I'll take
On my way to over you

Maybe I'll get lost in the past
Maybe I'll get past the lost
Either way, with or without you
I'm takin' off

Now that my wheels are turnin'
I know I can get there on my own
Now that my fears are burnin'
I'm almost gone

Closer to where I'm headed
Finding my way won't take me long
I may not be there yet
But I'm almost gone

What if I get stuck in a memory?
Get there an' I can't turn back around
No such thing as the wrong direction
No tellin' just where I'm bound

Closer to where I'm headed
Finding my way won't take me long
I may not be there yet
But I'm almost gone

Gone and go as far as I can see
Even if it's right in front of me
And I'll know that's where I need to be
Where I need to be

Now that my wheels are turnin'
I know I can get there on my own
Now that my fears are burnin'
I'm almost gone

Closer to where I'm headed
Finding my way won't take me long

I may not be there yet
But I'm almost gone
Almost gone
Almost gone
