At a table for two with a romantic view  
He said, "There's something that you need to know  
I don't usually date, so if I hesitate  
It's just that I'm taking it slow"

He said, "Darlin', I don't wanna hurt you"  
As he gently reached out for her hand  
She laughed as she picked up her menu  
And said, "Mister, you don't understand"

I've been loved, I've been left, I've been wronged by  
the best  
I've had hopes that were shattered in two  
I've heard promises spoken, I've had dreams left so  
broken  
There was no chance they'd ever come true

It ain't easy to see by looking at me  
But there's no hell I haven't walked through  
If you're worried, that's fine but this heart of mine's  
Been broken by better than you

When dinner was done she said, "I had fun"  
As they walked to her door, he smiled  
He said, "It's only ten, could I come in?  
Maybe we could just talk for a while"

She said, "Honey, I know what you're after  
And as much as I'd like you to stay  
Nothin' good ever lasted  
When it gets started that way"

I've been loved, I've been left, I've been wronged by  
the best  
I've had hopes that were shattered in two  
I've heard promises spoken, I've had dreams left so  
broken  
There was no chance they'd ever come true

It ain't easy to see but take it from me  
There's no hell I haven't walked through  
And I won't cross that line 'cause this heart of mine's

Been broken by better than you

No, I won't cross that line 'cause this heart of mine's  
Been broken by better than you
