Boy, I didn't mean to wake you
I'm okay, yeah everything's all right
I'm in a phone booth outside of Denver
I drove all night

Well, I would've called you sooner
But I knew you'd talk me out of this
I've had a lot of miles to do some thinkin'
Now it all, makes perfect sense

No I haven't changed my mind
I just called to say goodbye

You should see this mountain sunrise it looks just the
way I dreamed
Got my map of Colorado in the seat right next to me
If it ain't packed in this ol' Plymouth, it's better left
behind
I just called to say goodbye

Boy, you know I'm gonna miss you
But we both know it's for the best
We just can't keep usin' each other
As a safety net

I bet someday you're gonna thank me
When you finally get a taste of true love
Baby, what we had was pretty good
Just not enough

So here's to tears we'll never cry
I just called to say goodbye

You should see this mountain sunrise, it looks just the
way I dreamed
I got my map of Colorado in the seat right next to me
If it ain't packed in this ol' Plymouth, it's better left
behind
I just called to say goodbye
If it ain't packed in this ol' Plymouth, it's better left
behind
I just called to say goodbye, I just called to say

goodbye
