What's goin' on in your head?
You haven't heard a word I've said
I think we need to talk
'Cause you turn your emotions off
And that's somethin' I don't understand

'Cause that's how I feel
With my heart
Every beat, every part
Way down deep
In my soul
I live and breathe to let you know
(Ooo)
That's how I feel

You think the silence buys you time
To make things clearer in your mind
But I can't live in the dark
Not knowin' who you are
So tell me how you feel inside

'Cause that's how I feel
With my heart
Every beat, every part
Way down deep in my soul
I live and breathe to let you know
(Ooo)
That's how I feel
(Feel)
That's how I get to know you
(Feel)
If you'll only let it go you'll
Find it's not as scary as it seems

That's how I feel
With my heart
Every beat, every part
Way down deep in my soul
I live and breathe to let you know
(Ooo)
That's how I feel
That's how I feel

(Feelin')
That's how I feel
(Feel)
That's how I feel
(Feel)
That's how I feel
(Feel, feel)
That's how I feel
(Feel)
