A very good friend of mine
Told me something the other day
I'd like to pass it on to you
'Cause I believe what he said to be true

He said, "We're here for a good time
"Not a long time" (Not a long time)
"So have a good time
"The sun can't shine everyday"

And the sun is shinin'
In this rainy city
And the sun is shinin'
Ooh, isn't it a pity

That every year has it's share of tears
Every now and then, it's gotta rain

We're here for a good time
Not a long time
So have a good time
The sun can't shine everyday

Whoo!

And the sun is shinin'
In this rainy city
And the sun is shinin'
Ooh, isn't it a pity

That every year has it's share of tears
Every now and then, it's gotta rain

We're here for a good time
Not a long time
So have a good time
The sun can't shine everyday

We're here for a good time
Not a long time

So have a good time
The sun can't shine everyday

So have a good time
The sun can't shine everyday
