Are on hover thing
that somethin wasn't right here
Mongolia and now you're out of sight yeah
show me how you want it to be
Tell me baby cause I need to know now, oh because
My loneliness is killin me (and I)
I must confess I still believe (still believe)
when I'm not with you I lose my mind
give me a sign, hit me baby one more time
boy you've got me blinded
oh pretty babe, there's nothin that I wouldn't do
that's not the way I planned it
Show me how you want it to be
Tell me baby cause I need to know now, oh because
My loneliness is killin me (and I)
I must confess I still believe (still believe)
when I'm not with you I lose my mind
give me a sign, hit me baby one more time
I must confess that my loneliness
is killin me now
don't you know I still believe
that you will be here
and give me a sign, hit me baby one more time
