Direct from California  
Central Valley Asian, Planet Asia's on the corner  
Lettin' everyone know that when it comes to the squad  
We mega-serious to be the most interested involved in  
this rap shit  
I place my part just like a barber, I never sack a bitch  
I represents just like a starter  
Catch me mackin' down ya breezeie  
Just that easy with that nigga Carter  
At the hot spots, starin' at all you haters  
I rocks baggy like a skater  
I never been a dater of a ugly duckling  
Top notches I stay upducting off the earth  
Into the hovercrafts, saucer  
I'm flyin' up in something  
But later for that, cuz then they all about sex  
I'm into makin' fat music, massive  
All about checks to cash  
My third eye x-ray through these plex-o-glass  
Rappers that end up in my cypher  
I might test that ass  
Solid as i rock, static like blocks to get a chop  
Massive slang practitioners be the next to drop  
Massive slang practitioners be the next to drop  
Schoolyard slang practitioners be the next to drop

And if ya' don't know, now ya know  
We keepin' shit hot

Peace to Shake
