And whenever I'd look up
I couldn't see the sky
Sometimes when I'm standin'
It seems like I done walked for miles
And my heart could be cryin'
Dead in the middle of a smile
But then I climbed the hills
And saw the mountains
I hollered help 'cause I was lost
Then I felt the strong wind
Heard a small voice sayin'
The storm is over
(The storm is over now)
And I can see the sunshine
(Somewhere beyond the clouds)
I feel Heaven, yeah
(Heaven is over me)
Come on and set me free, whoa
Now in the midst of my battle
All hope was gone
Downtown in a rushed crowd

And felt all alone

And every now and then

I felt like I would lose my mind

I've been racin' for years

And still no finish line, oh

But then I climbed the hills

And saw the mountains (Mountains)

I hollered help 'cause I was lost

Then I felt the strong wind

And then a small voice sayin'

The storm is over

(The storm is over now)

And I can see the sunshine

(Somewhere beyond the clouds)

I can feel Heaven, yeah

(Heaven is over me)

Come on and set me free

Somehow my beginning stepped right in (Right in)

Then faith became my friend (My friend)

And now I can depend

On the voices of the wind

When it's sayin' (Sayin')

The storm is over

(The storm is over now)

And I can see the sunshine

(Somewhere beyond the clouds)

I can feel Heaven, yeah

(Heaven is over me)

Won't you come and set me free

Won't you set me free

The storm is over

(The storm is over now)

And I can see the sunshine

(Somewhere beyond the clouds)

I can feel Heaven, yeah

(Heaven is over me)

Won't you come and set me free

[Ad lib until fade]
