I am double u o,o,o and I'm still up here again

Hey

Work, work, work, work, work, work, work, work, work,  
work, work

Build it up

One time

Work it on baby

Mush, mush, mush, mush

Hit me one time

Ugh, ugh, ugh, ugh ugh

Break it up

Push your lips now

You're fine baby, you're fine

I am the magnificent, double u o,o,o

Good God, too much, I like it

Soul party

Work it up one time, work it two time

Shack it

Back it

I am the magnificent baby, double u, o, o, o

Enter the shack at the back of your soul baby

Work it out huh

Hit me one time
