Calm down (calm down)

Have your pomps and pride

Calm down (calm down) (x2) Have your pomps and  
pride

Everybody just

Cryin out (cry out)

Calm down (calm down)

Have your pomps and pride

Is it an opulin, Iceland, calm down

have your pomps and pride

For today, today, today is a happy day

for tonight tonight, can be another night

do re mi fah so la te do

Everybody's just crying crying

sighing sighing

dying to see the light

and when they see it, they see it's not bright

can this be right?

Everybody just

calm down (calm down)(x2)

Have your pomps and pride

Is it an opulin, Iceland, calm down (have no idea what  
he says here)??

Calm down

Have your pomps and pride
