Home again
Sing that song of pain
That follow me...

Oh I try to find her
Oh I try to answer
I touch her hand
And death smiles
She really want to take me

I've seen the door
And the walls cry
(So) let it drain
(Your) static blood
And kiss the fallen angel
Down in the heart of hell

or

I will find the outside
I will try to run
I will find the outside
I will...

Home again
Sing that song of pain
That follows me...home

Oh I try to kill her
And I read the prayer
How to have the whole
Let it drain your soul !

I will find the outside
I will try to run
I will find the outside
I will...

Home again
Sing that song of pain
That follow me...home

All night, under red tavern lights
You can ask to see, Lola, Lola
All-night singing blood and soul
You can ask to see, Lola, Lola
All night, spitting blood and soul
You can scream it, Lola, Lola
All night, bleeding blood and soul
You can scream it, Lola, Lola

Give us your magic
You can have my madness
Show me the risk please
Leave me the rest I know
Don't leave me cold as
Dead fish eyes
Just go away
Please go away

Home again
Sing that song of pain
That follow me...home
