Hey would you?
hey would you?
Hey would you be mine?
Sing a little lullaby
you know i need you
you could paint my mind in blue

But i can't see you smiling

you know i'll be there again
to tear out of you old pains
For now it looks like you don't know
The Things you don't want to show

But i can't see you smiling

We coul go anywhere you want to go
you see those places where(?)
I don't want to hear you calling
Your mother, your father and your ?
But i can't see you smiling
