i've been coming around this corner  
i know one day we'll meet  
i'll look in your eyes  
and i'll look up the street  
and i'll cover my heart so you can't see it beat  
and i'll struggle  
'cause how can i say when i don't know  
if i'll feel loving  
or if i'll feel low  
i may wind up and get into trouble  
knowing that you've been bad  
is one of the worst feelings i ever had  
knowing that you've been bad  
did it mean much to you?  
i thought i knew you  
now i wish i had  
i'll be coming 'round this corner  
one day real slow  
and i'll see myself reflected  
in someone i used to know  
and i may look away

and keep going home  
and try to forget it before i get to the door  
but how can i say when i don't know  
if i'll feel loving or if i'll feel low  
i may wind up and cry a big puddle  
knowing that you've been bad  
is one of the worst feelings i ever had  
knowing that you've been bad  
did it mean much to you?  
i thought i knew you  
now i wish i had  
how can you forgive that fast?  
why do they call it the past  
oh, when nothing has passed
