Cruising through town in my jacked up truck
Eyes open cuz I'm scopin for a big butt slut
One that I can take straight back to my house
And have suck my dick and put my balls in her mouth
Now get, get with it looked across the street
Seen a slimmy in a skirt bopping to the beat
So I capped up my forty threw it under my seat
Rolled up on the freak and i started to speak
But before i could she go grabbed my dick
Licked her lips and started talking that porno shit
She said "look here i know our kid rock"
Then whispered in my ear "I wanna swallow your cock"
Well blow me up then blow me down
Cuz i think I just found the biggest freak in town
And now I can't wait to get her back to my house
set her on her knees and put my balls in her mouth

(Chorus)

Balls in your mouth
Balls in your mouth
"U want my balls in your mouth?"

Back to my crib with no delay
Big grin on my grill and not much to say
Except hey yo bitch how's about
I drop my drawers and put my ballis in your mouth?
Then it was like straight out of a porn
She dropped to her knees and started blowing my horn
And after that without no doubt
She opened up wide and put my balls in her mouth
Next to cutie started rubbing my back
She put her finger right between my booty crack
So I grabbed her wrist quick and said hold up slut
"Ain't Nobody sticking nothing in my butt"
Now right then i knew I had a ho and a half
And all that I could do is sit back and laugh
Stare at the ceiling thinking about
This chick I just met's got my balls in her mouth

(Chorus)

After I busted my nuts I drover to the cut
She said "I hope you don't think that I'm a big slut
And please don't tell anyone what we've been through"
Next day I told the whole fucking crew
Spread the news through the whole damn town
And to that chick it must have got back around
So i told the ho sorry and tried to make amends
but she tried to fuck me in front of my friends
Running off at the lip talking all that shit
That I'm a bitch I'm a prick and I got a small dick
I just waited til she walked away to shout
"Fuck You Bitch You Had My Balls In Your Mouth!"

(chorus)
