1994...

Fuck Off

Unlike me you're gonna run away

Unlike me you'll see another day

Run like me out on the highway

I will ride so far

I'll probably never make it there

I never went to college

I ain't got no skills

I got hair to my shoulders

And a bottle of pills

I got bills stacked up

Like a turkey club

I blew my last dime drinkin

At the local pub

I am not sunshine

I am dark and grey

For this life of sins

I live, each day I pay

I am not jesus

But I died in vein

Only to relive each day I'll pay

Unlike me you're gonna run away

Unlike me you'll see another day

Run like me, out on the highway

I will ride so far

I'll probably never make it there

Rock rock y'all

To the beat y'all

Check it out y'all

You cant stop y'all

Rock rock y'all

To the beat y'all

Check it out y'all

You come alive y'all

Come on

I never felt at home
Although I grew up loved
I got a junkies mind
In a ramblin man's blood
Got a flood full of thoughts
That's caught in a dam
Somedays I'm gone
But that's where I am
I'm fit to slip
Another rippin rhyme
Im so ahead of the game
I feel left behind
Another dime to boost
I got boots of lead
Hope I live to see
This pirate's bread

I am not sunshine
I am dark and grey
For this life of sins I live
Each day I pay
I am not jesus
But I died in vein
Only to relive each day I pay

Unlike me you're gonna run away
Unlike me you'll see another day
Run like me out on the highway
I will ride so far
I'll probably never make it there
