When you are feeling

Something is missing from your life,

Feeling you're all alone.

When simple answers

To ordinary questions

Are so elusive all the time.

You can

(Refrain 1) Call on me, lean on me.

Why don't you call on me,

You know I'll be there.

I'll be there...

When everybody

Becomes a stranger in your mind,

You might remember what to do.

(Refrain 2) Call on me, lean on me.

Why don't you call on me.

Oh ohh you know you can

Call on me, lean on me.

Why don't you call on me,

You know I'll be there.

Believe what you see with your eyes.

No need to know the reason why.

(Why don't you...)

(Refrain 1)

(Refrain 2, repeat)

Call
