Never alone.  
You've got to know.  
Know.  
You're never alone.  
So lost in these days, when there's nothing to believe.  
I couldn't see, couldn't breath.  
I turned my back on everything.  
All my will, all my drive, put you to the test.  
When all that you love, all that you know is pushing you  
to your death.  
When your down reach for me.  
With all you strength and I won't let go.  
It's you and me against this world.  
You've got to know that you're never alone.  
Never alone.  
You've got to know.  
Know.

You're never alone.  
In troubled times, I'll see you through.  
I feel the strains, the same pain that you do.  
When your down reach for me.  
With all you strength and I won't let go.  
It's you and me against this world.  
You've got to know you and I are never alone.  
You've got to know.  
Know.  
Never alone.  
You've got to know.  
Know.  
Never alone.
