Trapped in aggression with vacant stares
All I am turns to emptiness
For myself and the ones I love
All we can do is run
This void keeps calling me
Life's aim brought me to knees
At times survival cuts so deep
Still I won't face defeat

You can't break me
I won't be beat

Smash myself to see if I can still feel
Pain's the only thing that's ever been real
I'm caught in it and I'm sinking fast
But I know that I will last

Forced down, my back against the wall
Try to break me, I'll answer the call
