lately something's come over me

i once was blind, oh but now i see

a power flowing through my soul

giving me control

making me feel whole

*Chorus

lead me, all through the days i go

i need you all through my life i know

all my life i felt that i

would rise above and reach the sky

all i needed was a helping hand

and there you were

for me once again

*Chorus

(i need you in my life)

(i need you)

now i can thank you

for showing the way

keeping me strong

every day

i can do anything

lead me home

lead me home

please don't leave me

don't go away

cause i need you today in my life

*Chorus 2x

cause i need you today in my .
