Been so long since I met you
and all the changes we've been through
and all this time I can't forget you
everywhere I turn I think of you
and I wanna love ya baby
and you are all I need
Soul to soul, fire to fire
nothings like this hearts desire
love is a beautiful thing
one to one, you and me
maybe it's our destiny
cuz love is a beautiful thing
it's so beautiful, beautiful
Love is such a sweet emotion
I want to share it all with you
your trust and, and this devotion
there ain't nothing in this world we can't do
tonight, I want to thank, thank you baby
and you make my life complete
Soul to soul, fire to fire
nothings like this hearts desire

love is a beautiful thing
one to one, you and me
maybe it's our destiny
cuz love is a beautiful thing
it's so beautiful, beautiful
.....somebody raise your hand now
.....yee-eeaahh
.....ooohh, no,no,no,no,no
and I, I wanna thank you baby
and you, you're all I need
Soul to soul, fire to fire
nothings like this hearts desire
love is a beautiful thing
one to one, you and me
maybe it's our destiny
cuz love is a beautiful thing
it's so beautiful, beautiful
stay together through thick and thin
now I know I've got a friend
love is a beautiful thing
face our fears through the years, there's no tears
oh love is a beautiful thing
soul to soul, fire to fire
nothing like this hearts desire
cuz love is a beautiful thing
