If tomorrow she'll be gone  
Now I'm a pretender in a special kind of way  
I've been living like James Bond  
The situation now will never change  
Infatuation has gone out of range  
This is my life and I don't want to see it die  
Bad boy I wanna be a bad boy  
If it means I will enjoy every day now  
Bad boy I'm gonna be a bad boy  
If I can play with my toy  
And get my own way now  
There are blondes and brunettes  
Just like different cigarettes  
All their lips are burning hot  
Some dress "valentino"  
Others wear T-shirt to show  
What a shapely bust they've got  
I can't refuse them when they come to me  
I can amuse them if my heart is free  
This is my time and I don't want to see it fly  
Bad boy I wanna be a bad boy
