[Chorus] 2x

[Tony Sunshine]

Yo

If you want it in the morning and you need it in the
night

I'm a give it to you baby

I'm a give it to you right

[Sapphira]

Would you do whatever I want?

Would you give me all that I need?

[Fat Joe]

Ugh yo yo

Don't need to tell me about your love life

I can see it in your eyes you like the thug type, His &
Her bikes

Diamonds in the rough? Right!

Love the crushed ice? Love to puff la? Love to get
fucked? Right!

It's the Don with the S-Class, all aboard! With the best
ass

Known to make the sex last,
only rep that, bet ya can't sit

Joey Head Crack, keep you dancin', shit be hectic

Start the party in the limo, Bacardi con Limon

That's what's on, girl, shake your body, c'mon

Forget your friends, you can trust this

I know you heard how we run tris, but I want one chic

Don't thick with the big hips, Joe will have a hoe
screaming "Fat niggas got big dicks!"

So lick your lips if you're feeling me, I'm right in
front of Trinity

The way you work that thong, girl you're killin' me

[Chorus]

[Armageddon]

Yeah

Me? I love the way you work it now [now]

Pumping your bottom up and down like somebody
played

you and now you tryin' to hurt them back

Whatever it is that you really need, you can get it,
if it's me you can hit, if it's weed it's already litted
We can leave in a minute, hop in the drop top 3 if you
wit it
Watch TV in it, feel the breeze,
and get lifted on our way to the Four Seasons
Here's a sweet that I rented
