Every time I think of you  
I got a shot right through with a bolt of blue  
It's no problem of mine  
And it's a problem I find  
Living a life that I can't leave behind

There's no sense in telling me  
The wisdom of a fool won't set you free  
But that's the way that it goes  
And that's what nobody knows  
Well, every day my confusion grows

Every time I see you falling  
I get down on my knees and pray  
I'm waiting for that final moment  
You'll say the word that I can't say

I feel fine and I feel good  
I feel like I never should  
Whatever I get this way  
I just don't know what to say  
Why can't we be like we were yesterday

I'm not sure what this could mean  
(Every time I see you falling)  
I don't think you show me what you seem  
(I get down on my knees and pray)  
I do admit to myself that if I hurt someone else  
(I'm waiting for that final moment)  
You'll never see like it was meant to be  
(You'll say those things that I won't show)

Every time I see you falling  
I get down on my knees and pray  
I'm waiting for that final moment  
You'll say the words that I can't say

Every time I see you falling  
(I feel fine and I feel good)  
I get down on my knees and pray  
(I feel like I never should)

I'm waiting for that final moment  
(Whatever I get this way I just don't know what to say)  
You'll say the words that I can't say, I can't say  
(Why can't we be like we were yesterday)

I feel fine and I feel good  
(Every time I see you falling)  
I feel like I never should  
(I get down on my knees and pray, and pray)  
I will say what you say  
(I'm waiting for that final moment)  
Why can't we be like we were yesterday  
(You'll say the words that I can't say)

You'll say the words that I can't say  
You'll say the words that I can't say  
You'll say the words that I can't say  
You'll say the words that I can't say
