(feat. Silja)
(Modern English)

Moving forward using all my breath
Making love to you was never second best
I saw the world thrashing all around your face
Never really knowing it was always mesh and lace

I'll stop the world and melt with you
You've seen the difference and it's getting better all
the time
There's nothing you and I won't do
I'll stop the world and melt with you

Dream of better lives the kind which never hate
Dropped in the state of imaginary grace
I made a pilgrimage to save this humans race
Yes I did
What I'm comprehending a race that long gone bye

I'll stop the world and melt with you
You've seen the difference and it's getting better all
the time
There's nothing you and I won't do
I'll stop the world and melt with you

The future's open wide
I'll stop the world and melt with you
You've seen the difference and it's getting better all
the time
There's nothing you and I won't do
I'll stop the world and melt with you, yeah
I'll stop the world and melt with you
I'll stop the world and melt with you, yeah, yeah
