Silja :

Once there was a day  
We were together all the way  
An endless path unbroken

But now there is a time  
A torture less sublime  
Our souls are locked and frozen

Let me go...

I tried but could not bring  
The best of everything  
Too breathless then to wonder

I died a thousand times  
Found guilty of no crime  
Now everything is thunder

Daytime all I want is nighttime  
All I want is nighttime  
I don't need the daytime

Once we were years ahead but now those thoughts are  
dead

Let me go  
All hopeless fantasies are making fools of me  
Let me go  
I walk alone and yet I never say goodbye  
Let me go  
A change of heart a change of mind and heaven fell  
that night  
Let me go

The best years of our lives  
The hope of it survives  
The facts of life unspoken

The only game in town  
I'll turn the last card down

And now the bank is broken
