I'm feeling very mellow
Walking down the street
You see, I'm gonna see my baby
And it make me feel moody
Like this...

Moody
Moody, moody, moody
Moody
Moody, moody, moody

Can go to see your baby
Can make you feel moody
Can make you feel high, feel low
Feeling, feel like, like this...

Moody
Moody, moody, moody
Moody
Moody, moody, moody

Ba da ba da...

Moody
Moody, moody, moody
Moody
Moody, moody, moody
Moody, moody, moody
Moody, moody, moody
Moody, moody, moody
