Sometimes I feel I've got to run away  
I've got to get away  
From the pain you drive into the heart of me  
The love we share seems to go nowhere

And I've lost my light for I toss and turn  
I can't sleep at night

Once I ran to you  
Now I'll run from you

This tainted love you've given  
I give you all a boy could give you  
Take my tears and that's not living, oh  
Tainted love - tainted love

Now I know I've got to run away  
I've got to get away  
You don't really want it any more from me  
To make things right you need someone to hold you  
tight

And you'll think love is to pray  
But I'm sorry I don't pray that ws

Once I ran to you  
Now I'll run from you

Don't touch me please  
I cannot stand the way you tease.  
I love you though you hurt me so

Now I'm gonna pack my things and go  
Tainted love, tainted love
