From Reichstag till keltbusser Door
Lines are passing
bodyguards and BGS
Kreuzberg is occupied by cops
Get out of the way
Keep all Lanes free.
The diplomats are cruising
with red lights on
to the whore houses
The t.v. shows shows talk
about, moral and tradition
Lynching mobs and rent-a-cops
are on duty for the justice
Purity at the train station "zoo"
Where are all the junkies now?
They are all laying
in my outhouse toilette !
