ever there lies a man
He pukes wine, booze and nightrain
He and his friends are obviously homeless
One of the gang is missing a leg
And his friend next to him
is pissing in his pants
this doesn't bother me I don't care
I'm not interested in them at all
I just care about myself
See the young girl buying heroin
and her little brother sniffing glue
He smells very, very bad
does he ever wash himself ?
And like his older sister
he's selling his ass !
