constitution, revolution,
that's no solution honey
go out, stay home - no money
tv set, stay in bed,
be a threat - in your head
eat-sleep, be bored, too bad
masturbation, short duration,
frustration - oooaah!
sun tan, best you can, football-fan,
be a man!

wasted existence, we walk the distance
between our lives - we say goodbye,
before we get to know ourselves
my face has changed.
it has been rearranged,
no thoughts have been exchanged,
isn't it strange

take your toll, reach your goal,
rock'n'roll
Cher, Madonna, Courtney Love,
the holy ghost and up above
gimme gimme your autograph
getting big, sucking dick,
punk rock chick, blood is thick
that will do the trick
record shelf, clock strikes twelve,
now it's time to kill yourself

wasted existence, we walk the distance
between our lives - we say goodbye,
before we get to know ourselves
my face has changed.
it has been rearranged,
no thoughts have been exchanged,
isn't it strange

get in the car, tonight we'll go real far,
the tough guys and pretty girls
they've got nothing to do with us,

so we chose to stay home - stay home,
stay home - leave us alone,
we decided to stay home - stay home,
stay home
we will stay home - leave me alone -
don't answer the phone - remain unknown
