No more timing each tear that falls from my eyes

I'm not hiding the remedy to cure this old heart of mine

CHORUS:

I can dream about you

If I can't hold you tonight

I can dream about you

You know how to hold me just right

REPEAT CHORUS

Moving sidewalks, I don't see under my feet

Climbing up from down here below where the streets
see

me lonely for you.

CHORUS

I can dream about you

I'm gonna press my lips against you and hold you tight
to me

I can dream about you

You know you got me spellbound what else can it be

Moving sidewalks, I don't see under my feet

Climbing up from the pain in my heart 'cause it's you
that I need.

I don't understand it

I can't keep my mind off loving you

Ooo, now baby, I'm caught up in the magic I see in you

There's one thing to do

CHORUS TWICE TO FADE
