Psychiatrists and lawyers...destroying mankind

Drivin' 'em crazy...and stealing 'em blind

Bankers and brokers...ruling the world

Storing the silver...and hoarding the gold

Ain't no use in preachers preaching

When they don't know what they're preaching

Weakest man, be strong as Samson

When you're being held to ransom

Famine and hardship...in true living colour

Constant reminders...the plight of our brothers

Daily starvation...our diet of news

Fed to the teeth...with a barrage of views

Ain't no use in preachers preaching

When they don't know what they're preaching

Weakest man, be strong as Samson

When you're being held to ransom

Black men and white men...and Arabs and Jews

Causing congestion...and filling the queues

Fighting for freedom...the truth and the word

Fighting the war for the end of the world

Ain't no use in preachers preaching

When they don't know what they're teaching

Weakest man, be strong as Samson

When you're being held to ransom
