Boredom" by Procol Harum

Lyrics by Keith Reid

Some say they will and some say they won't

Some say they do and some say they don't

Some say they shall and some say they shan't

Some say they can and some say they can't

All in all it's all the same, but call me if there's any
change

Some say there's nothing and some say there's lots

Some say they've started while some say they've
stopped

Some say they're going and some say they've been

Yes, some say they're looking and some say they've
seen

All in all it's all the same, but call me if there's any
change
