Your multilingual businessfriend has packed her bags
and fled

leaving only ashfilled ashtrays and the lipsticked
unmade bed

the mirrors on reflection has climbed back upon the
wall

for the floor she found descended and the ceiling was
too tall

Your trousers cuffs are dirty and your shoes are laced
up wrong

you'd better take off your homburg cause your
overcoat is too long

The town clock in the market square stands waiting for
the hour

when it's hands they both turn backwards and on
meeting

will devour

both themselves and also any fool who dares to tell the
time

and the sun and moon will shudder and the signpost
cease to sign

Your trousers cuffs are dirty and your shoes are laced
up wrong

you'd better take off your homburg cause your
overcoat is too long

your trousers cuffs are dirty and your shoes are laced
up wrong

you'd better take off your homburg cause your
overcoat is too long

ah ,your trousers cuffs are dirty and your shoes are
laced up wrong

you'd better take off your homburg cause your
overcoat is too long.
