Nothing I Didn't Know" by Procol Harum

lyrics by Keith Reid

Did you hear what happened to Jenny Droe?

Couldn't believe it, but it's true

Twenty-six, and now she's dead

I wish that I could've died instead

Did you hear what happened to Jenny Droe?

Did you see how thin and pale she grew?

So much suffering, could not hide

Endless heartache until she died

Did you hear what happened to Jenny Droe?

Strike me dead, make it a truce

Strike me dead, let me go

Nothing that I didn't know

Did you hear what happened to Jenny Droe?

Couldn't believe it, but it's true

Twenty-six, and now she's dead

I wish that I could've died instead
