Picture, rush...story, hush

Picture, rush...story, hush

Got the picture...got the rush

Got the story...got the hush

Got the joker...got the flush

Got the choker...got the crush

Picture story, go the wrong side of the bed

Got the wrong slice of the spread

Got the thin end of the wedge

Took the wrong bend on the edge

Picture, screen...movie, dream

Picture, screen...movie, dream

Got the picture...got the screen

Got the movie...got the dream

Got the make up...got the seam

Got the wake up...got the screen

Picture story, go the wrong side of the bed

Got the wrong slice of the spread

Got the thin end of the wedge

Took the wrong bend on the edge
