It's not often I feel like lifting my hands in worship  
It's not often I feel like singing a song of joy  
But I'm so often reminded of His ways, how He's so faithful  
So I'll offer Him this sacrifice of praise

Chorus

All that is in me, all that I am, there's nothing I withhold  
from Him  
All that is in me, all that I am, will glorify the Lamb

It's not often enough my heart and spirit are broken  
It's not often enough that He finds me on my knees  
But it's so often that He comes in His cleansing love  
and forgives me  
So I'll offer Him this sacrifice of praise

Chorus

It's not often enough I see Him through all He's given  
It's not often enough I see in His Word  
But so often I stand amazed that I'm one He's chosen  
So I'll offer Him this sacrifice of praise

Chorus
