(spoken):

Honey, I love you. I've always needed you. You've always been right there.

Miss Unbelievable, that's who you are  
It's inconceivable that you're by far  
Everything I ever wanted, you're all I'll ever need  
& I wanna thank you, yeah, thank you, thank you  
Keep on thanking you for coming into my life  
For coming into my life  
You're unforgettable, that's what you are  
You're so incredible, my shining star  
All that I have in my heart, it's for you, baby  
& I wanna thank you, thank you, yeah thank you baby  
(spoken): Thank you. Thank you baby  
For all the joy you brought into my life  
& for all the love that warms those cold & lonely nights

You're indescribable, that's what you are  
It's undeniable that you really are  
Truly, truly unbelievable  
(spoken): Inconceivable. Unforgettable. So incredible.  
Indescribable.  
...& fade
