Just an old fashioned love affair
Nothing fancy, just 2 lovers living, loving for each other
I'm talking about an old fashioned love affair
Simple trust & understanding
Neither one of us is too demanding
People all over the world, they all seem to make
The very same, same mistake
They keep taking love for granted
& never give at all, no no
All they ever wanna do is
Take, take, take, take till they empty your cup
Take, take, take, take till they use you up

All I want is an old fashioned love affair
Simple trust & understanding
Neither one of us is too demanding
All I want, all I want, all I want, all I want
Simple trust & understanding
We're never gonna be too demanding
People all over the world, they're making the same
mistakes
Yeah yeah yeah, they're taking love for granted
Never giving at all
All they ever wanna do is
Take, take, take, take till they empty your cup
Take, take, take, take till they use you up

Oh, how 'bout an old-time love affair?
It'll be an old-time love affair
I want an old fashioned
Old fashioned, something simple, not too fancy
Baby can we take a walk? Take a walk in the park
Go to the show & ride? Ride close together, baby
...& fade
