(You've chosen me & I've chosen you
You've chosen me & I've chosen you
(scat singing frequent in song):
(Doo doo doo, gonna make you happy because I love
you
Gonna make you happy, baby)

You've chosen me (because I love you)
Feel like you'd make my life complete
Beyond your wildest dreams
Listen: it won't be easy, but I'm
(Really gonna, really gonna, really gonna, really
gonna)
Really gonna try
Yes, do the best I can
There's gonna be days, there's gonna be days
Won't be very happy days
There's gonna be times, oh yes
Won't be very happy times
Listen: it won't be easy, but I'm
Really gonna try
Yes I'm gonna do the best I can
Ohhhhhhhhhhh oh oh, yeah

(frequent scat singing, fading out)
