[Pharrell Williams]

"Yo. Wave your hands in the air if ya came to party.

("Party.")

Get down, baby, we get down. Neptunes, Most Wanted, baby. We get down.

Come on. Wave your hands in the air if ya came to party. ("Party.")

Get down, baby, we get down. Neptunes, Most Wanted, baby. We get down."

[Boobonic]

Yo, yo, ayyo

Who prefer to gain cheddar, find D and Tim' better, stay coppin' letters, take ya bitch if ya let her;

clothes always sweaters, ain't nothin', I'm used to it

I rock shit up top and match boots to it

Major dough; ayyo, I'm fine and I'm able

Six wit' a roof like a dinin' room table:

all glass so I'm gettin' all ass

When y'all pass, see V-12's and haul ass

Oo-Bay, I oo-day what I oo-day

and don't care what a hater like you say

Itch-day, ude-day want a ey-hay?

O fle' like go away, that's what your daughter say

I got fans in Ja-Pan, got land

Block can't ice, hoes starin' like, 'Goddamn!'

B-A-double L-one E-one R

Two houses, one jeep, one car

To the sunlight

We can get down, baby, we get down

To the moonlight

Shake it, baby; shake it, baby

To the sunlight

Now bounce for me, baby; bounce-bounce for me, baby

To the moonlight

I love the way that you do me, baby

[Mr. Man]

Check, yo
See, I tore up the game when I jumped out the range
Ice went bling from the watch to the chain
Chicks on the dick like, 'What's that nigga' name?'
I came here to bounce and to hollar at you, mami
All in her ear like, 'Who b'ought you here?'
Wanna drink? Order two, I'ma be right there'
Grab the glass real modest and flash the Cardiere
Miss never seen a nigga like M-R-Dot
Who spit? Got jewels, man? I'm icy-hot
If you ball like me, shot-call like me?
You got a girl, playa, and me? Ya girl like me
I dance wit' her now and deal wit' hate later
Differentiate the playa from y'all haters
Reiterate the phrase again, 'Y'all haters'
Who got chips and don't gotta sip,
rollout wit' chicks, tell 'em hop in the whip

Yo, I love the way that you do me, girl

There's something about you, boy, that makes me want
to be with you
What you say, what you say?
There's something about you, boy, that makes me want
to be with you
Come on, come on, yeah

[Boobonic

Yo, yo
We doin', show 'em what the game like
Wonder what the fame like?
Known for hittin' two to four chicks in the same night
Chicks can't tell me nothin', I got head
Niggas can't tell me nothin', I got bread
Niggas upset, I know. His hoe wentchy
She throw them to his face, I got him by four inches
He real upset, mad and heartbroken
She told me not to pay him no mind and keep strokin'
Yo, can they fuck wit' us?
Uh-uh
Hit hoes wit' us?

Uh-uh
Rip shows wit' us?
Uh-uh
Get dough wit' us?
Uh-uh
Niggas upset and mad, I'm so fly-ie
Playa, get it right, I'm like that 'til I die-ie
Ayyo, see me at the bar wit' ice, blow they eye-ie
Say you got hoes like me? Nigga, ya lie-ie
Never be like us, nigga, but you can try-ie
Grease as she come on, ya chick cock ri-ide
