I try not to hate you
Not to hate me
But it just won't go away
I see all I can see
I'm hoping for a brighter day

Watch as you go
Watch as I wave goodbye
There's no one to know me
On the far.....side
I don't care about your side
You don't care about your life
I don't care about you

I try not to feel the same
Not to feel this way
A front diguise
And I see all I can see
I'm hoping for a new life

Watch as you go
Watch as I wave goodbye
There's no one to know me
On the far.....side
I don't care about your side
You don't care about your life
I don't care about you

And when it's gone
I won't be there
All these things as they past
I'll just fade away
And the time can tell me that
We're all the same

I try not to hate you
Not to hate me
But it just won't go away
I see all I can see
I'm hoping for a brighter day

Watch as you go
Watch as I wave goodbye
There's no one to know me
On the far.....side
I don't care about your side
I don't care about your life
I don't care about you
